GE® Commercial 4.2 cu. ft. Capacity Washer with Built-In App-Based Payment System

FEATURES AND BENEFITS

Built-In, Coinless Payment System* – Eliminates the hassle of coins with the easiest, smartest, built-in QR code payment system.
**3rd party processing fees apply*

Launderday™ User App – Offers tenants and guests a modern laundry experience that saves them time with secure contactless payment, cycle notifications, machine availability status, and more.

SmartHQ™ Management – Owner's Dashboard centralizes critical laundry management information, including site revenues, machine status, pricing activities, and refund requests.

Protected with Microban® – Antimicrobial technology built into high-touch elements on the control panel.

Quality Components and Materials – Built to last with a heavy-duty agitator, 1/2 horsepower motor, stainless steel wash basket, galvanized steel cabinet, and metal transmission.

4.2 cu. ft. Capacity – Maximizes revenue with an extra-large capacity that delivers the wash experience that tenants and guests expect.

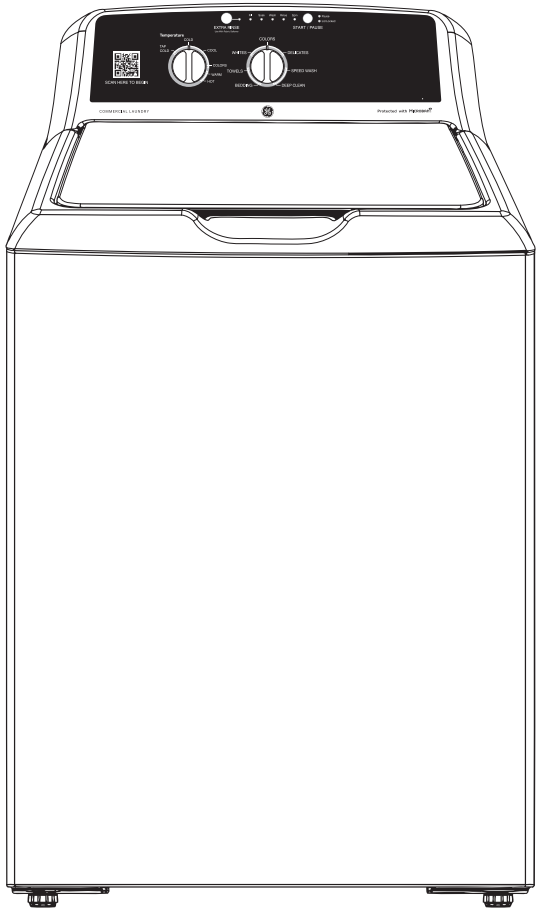

800RPM Spin Speed – A higher spin speed maximizes water extraction.

5 Year Limited Parts Warranty – Enjoy peace of mind with a 5-year limited parts warranty.

Service Priority – Receive timely response from a dedicated service support team.

Parts Promise – Most common repair components** are on hand and available to be shipped within one business day.
