Hotpoint® Built-In Dishwasher

FEATURES AND BENEFITS

Reliable Performance- American-made dishwasher engineered for reliable performance, durability and long-lasting dependability. Enjoy consistently clean and dry dishes with every cycle.

Simplified Installation- Designed for easy dishwasher installation, this dishwasher includes an easy-remove skid, attached drain hose, and universal mounting brackets that allow you to easily mount the dishwasher under any type of countertop.

Adjustable Height- The adjustable-height dishwasher design helps simplify installation over built-up floors or a variety of flooring material.

Heavy-Duty Plastic Interior Dishwasher- Durable, long-lasting plastic dishwasher tub with an attractive American Gray finish that resists stains.

Water Leak Senor- Active Flood Protect has an advanced water leak sensor to help prevent overflows by detecting high water levels and automatically removing excess water for added peace of mind.

Durable Design- Built tough to handle heavy loads, this durable dishwasher features sturdy racks that support up to 30 pounds, making it easy to clean large pots and cookware.

Two-Rack Design- This two-rack dishwasher design maximizes usable space, including room in the upper rack for larger items like pots and pans, so you can fit more in a single load.

Dry Options- Flexible dishwasher drying options include heated dry for table-ready dishes or an energy-saving air dry option that adapts to your needs.

Multi-Level Wash System- The multi-level wash system delivers complete cleaning coverage throughout the dishwasher, helping ensure clean dishes on every rack.

Cycle Options- Choose from multiple dishwasher cycle options designed to handle heavy-duty loads, everyday washes, and a Time Saver option that gets the job done in just one hour.

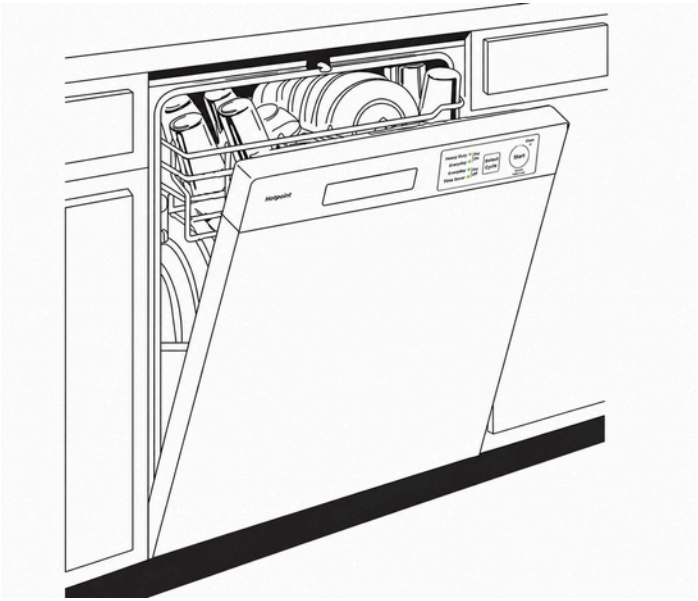

Hard Food Disposer- Our exclusive Piranha™ hard food disposer with dual filtration removes large food particles and ensures consistently clean dishes.

60 dBA Dishwasher- At 60 dba, this quiet dishwasher provides a powerful clean without unwanted noise or disturbances. A status light on the door lets you know when it's running.

Flush Installation- Designed for flush dishwasher installation to align seamlessly with cabinets to ensure it blends into the kitchen without sacrificing space for dishes.

Large Capacity- This large capacity dishwasher has enough space for 12 place settings and large dishware, making cleanup easy after every meal.

Silverware Basket- A removable silverware basket makes it easy to load and unload utensils.
