Bespoke 4-Door French Door Refrigerator (29 cu. ft.) with Family Hub™

Signature Features

Customizable Door Colors
Customize the design of your refrigerator with changeable door panels. Choose from a variety of colors and two finishes to create a space that fits your style.

Family Hub™
Samsung's Family Hub™ refrigerator helps you connect to what's most important: your family and home. Family Hub™ lets you see inside your refrigerator, manage your family's calendars, stream music, see who's at the front door and much more, all right from your fridge.

Beverage Center™
Quick access to refreshingly cool, filtered water two ways. Choose from an internal dispenser or a built-in pitcher that automatically refills, with the option to infuse with a flavor.

Extra-large Capacity
With 29 cu. ft. of capacity, this spacious refrigerator is designed for convenience, offering flexibility and organization to store and access all your favorite foods with ease.

Installation Specifications

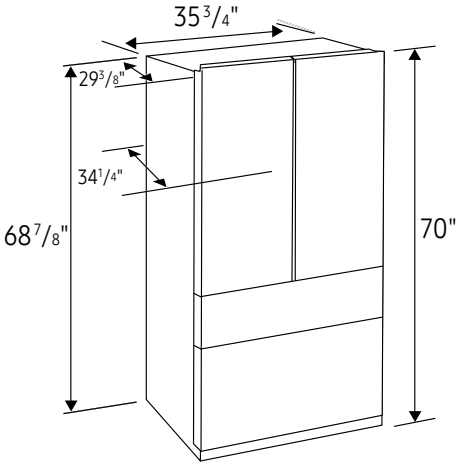

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

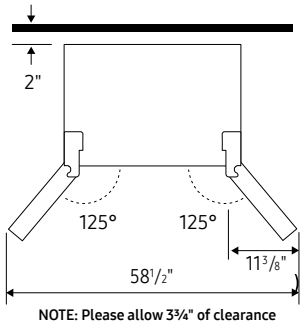

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

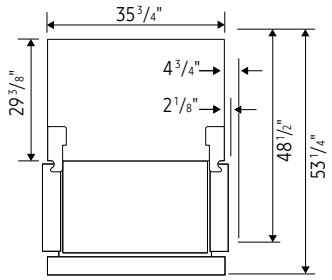

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.
