FEATURES & BENEFITS

Match your personal style – Customize this stylish dishwasher with any combination of premium finishes and hardware options for a unique look that matches your personal style.

Two single drawers – With one drawer on either side of the sink, this single-drawer dishwasher offers a beautiful aesthetic and gives owners the ability to experience the appeal of its ergonomic design with modern functionality.

Accommodates large dish loads – Easily accommodate 7 place settings and 13-inch pots in this large-capacity dishwasher that offers a place for everything in your kitchen or secondary space.

Easy to load & unload – The single-drawer dishwasher is installed at counter height, so owners don't have to bend over to unload or load, making it the perfect solution for those who seek out ease and accessibility but don't want to sacrifice style.

Built-in WiFI Powered by SmartHQ™ – Built-In WiFi and the SmartHQ™ app make it easy to connect, control and monitor your smart dishwasher from anywhere. You can conveniently access the latest features as well, including remote status and notifications.

6 wash cycles – Go beyond the normal wash and dry with six cycles and Fast Wash, Sanitize, and Ultra Dry options in this single-drawer dishwasher.

45 dBA single drawer – Keep your kitchen space peaceful through every cycle thanks to this 45-decibel dishwasher.

Knock to Pause – Stop your dishwasher mid cycle with a convenient Knock to Pause feature. Then, simply press Start/Play to resume.

Water Leak Sensor – The Water Leak Sensor prevents potential overflows by canceling the wash cycle before a flood can occur and alerting you with blinking lights and a tone.

Delay start – This delay-start dishwasher lets you set it to start while you're working, sleeping or out of the house.

Adjustable racks – Load with flexibility and maximize space thanks to adjustable racks that can be adjusted to accommodate any item.

ADA compliant – Easily install this accessible dishwasher at an American Disabilities Act (ADA) compliant height for loading and unloading.

ENERGY STAR® qualified – Wash every load with a clean conscience thanks to this efficient, ENERGY STAR® dishwasher which saves energy without sacrificing features or functionality.
