

Maytag Model: MDB4949SKZ

Stainless steel tub dishwasher with Dual Power filtration

Color Fingerprint Resistant Stainless Steel

Product Description

Skip the soaking and scrubbing with Dual Power filtration, a dishwasher filtration system that disintegrates any food in its path. Maytag® dishwashers with Heated Dry reduce excess moisture so dishes come out dry, while a full stainless steel tub is tough enough to resist cracking and staining for years. Plus, ENERGY STAR® certified dishwashers help save money on utility bills.
