Commercial Single-Load Stack Dryer Coin-Drop Equipped

CGSP2958JQ/CESP2958JQ

Why Buy: Get the capacity of two dryers in the space of only one.

Space-Saving Design

Maximizing space can help get additional washers and dryers on the floor. At **7.4 cu. ft. per dryer**, this stack option provides double the drying capability **while taking up the room of only a single unit.**

Easy To Use

Comfortable loading and simple cycle navigation are conveniences that make a difference to any user. A time remaining display with digital price change controls gives customers the option to select the ideal cycle for individual needs. With a **wide-opening, side-swing door** and **easy-to-use push-button controls**, our stack dryer makes getting laundry done an uncomplicated task.

Made To Handle Multiple Loads A Day

The demanding environment of commercial laundry means dryers need to be able to deliver excellent results many times a day for years to come. Featuring a **heavy-duty roller** suspension with **permanently lubricated bearings** along with a **robust cabinet**, this dryer is built to last.

2-YEAR LIMITED PARTS ONLY WARRANTY / 90-DAY LABOR

For 90 days from the date of original purchase, when this commercial appliance is installed, maintained, and operated according to instructions attached to or furnished with the product, Whirlpool Corporation (hereafter "Whirlpool") will pay for factory-specified replacement parts and repair labor to correct defects in materials or workmanship that existed when this commercial appliance was purchased. For the first two years from the date of purchase, when this major appliance is installed, maintained, and operated according to the instructions attached to or furnished with the product, Whirlpool will pay for factory-specified replacement parts to correct defects in materials or workmanship that existed when this commercial appliance was purchased.
See whirlpoolcommerciallaundry.com for warranty details.
