Key Features & Benefits

Powerful Cleaning
Most Powerful Cleaning in the industry* driven by the Heavy Duty cycle with Extra Power button.

Extra Power Button
Some stains dissolve best in hot water. Others in cold. With the push of a button, Maytag fights both in a single load. The Extra Power button boosts stain-fighting performance on any wash cycle with a dual-temperature wash.

16 Hr Fresh Hold® Option
The 16-Hr Fresh Hold® option keeps clean clothes smelling fresh in the washer with an internal fan and intermittent tumbling that circulate air through clothes for up to 16 hours after the wash cycle ends.

*Models with Extra Power option: MHW8630H, MHW6630H, MHW5630H. Based on cleaning score of a 20-lb load, among leading front load brands, Heavy Duty cycle plus Extra Power vs. comparable cycles and options. **Visit maytag.com for warranty details.
