Key Features & Benefits

Custom Panel Ready
Achieve a seamless look by perfectly matching your kitchen cabinetry to you Custom Panel Ready Dishwasher. Its innovative design allows for a fully flush installation, adding a new level of sophistication to your space.

5 Level Wash System
The 5-Level Wash System guarantees spotless dishes by spraying water from every angle, ensuring a perfect clean on the first wash.

Sanitize Function
The Sanitize Function delivers higher temperatures for a thorough clean, giving you complete peace of mind—perfect for baby bottles, feeding accessories, and more.

Full Stainless Steel Tub
The Full Stainless Steel Tub is designed for superior durability, resisting hard-water stains, spots, and corrosion while absorbing noise more effectively than plastic tubs. It can withstand the highest washing temperature on the market—75°C—ensuring your dishes are thoroughly sanitized.
