24” 2.51 cu.ft. Free-Standing Induction Range, True Convection

BIRU24102SS/ BIRC24102SS

Key Features & Benefits

True European Convection
True European Convection utilizes a dedicated heating element around the rear fan to circulate warm air evenly and consistently throughout the oven, allowing you to cook multiple dishes at once on different racks.

Interior Lighting
Featuring bright interior halogen lighting for full visibility while baking, braising and roasting.

Residual Heat Indicators
This cooktop features a clearly visible signal if the cooking zone remains too hot to touch safely.

Storage Drawer
This is a perfect place where you can store your baking sheets, muffin tins or even pots & pans.
