HDF310PGR

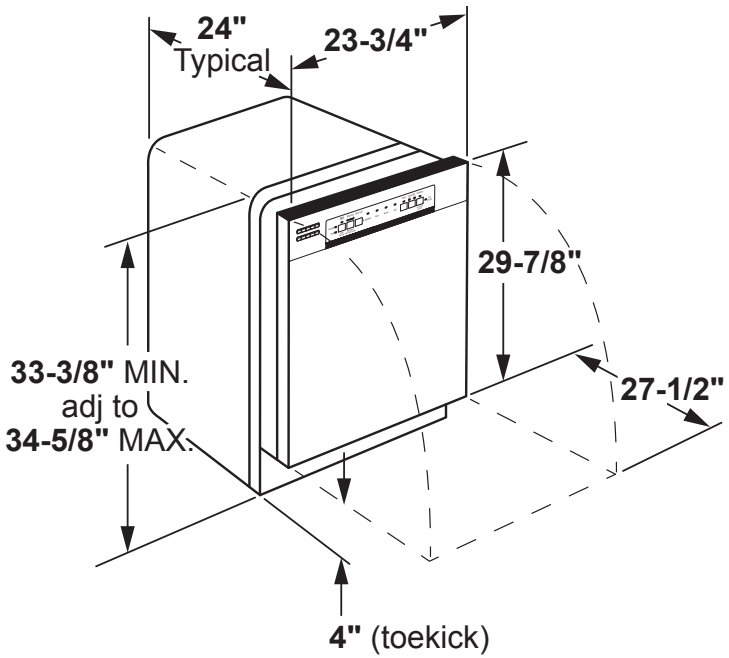

Hotpoint® Built-In Dishwasher

FEATURES AND BENEFITS

Completely Washed and Dry Dishes – This dishwasher has thorough wash and dry cycles, so you'll always unload clean and dry dishes.

Reliable Performance – Rest assured this American made dishwasher will wash and dry your dishes every time.

Active Flood Protect – An internal sensor prevents the dishwasher from overflowing, so you have peace of mind with every cycle.

One Button Cycle – This easy-to-use dishwasher has a one button cycle, so there's never confusion about which cycle you're using.

Heavy-Duty/Everyday Wash Cycles – Activate a heavy-duty wash cycle for the dirtiest loads by pressing and holding the wash button or activate an everyday cycle for normal loads by pressing the wash button once.

Hard Food Disposer – The Piranha™ hard food disposer with a removable filter has a stainless steel blade that rotates at 3,600 RPM, preventing large particles from clogging the wash arms and ensuring consistently clean dishes.

Quiet Operation – This quiet 60 dBA dishwasher has a status light on the door to let you know when it's running.

Durable Design – This low-maintenance dishwasher is easy to install and designed to last, so you can enjoy peace of mind.

Upper & Lower Racks – This dishwasher has a top rack and a bottom rack, so you can load dishes however you want.

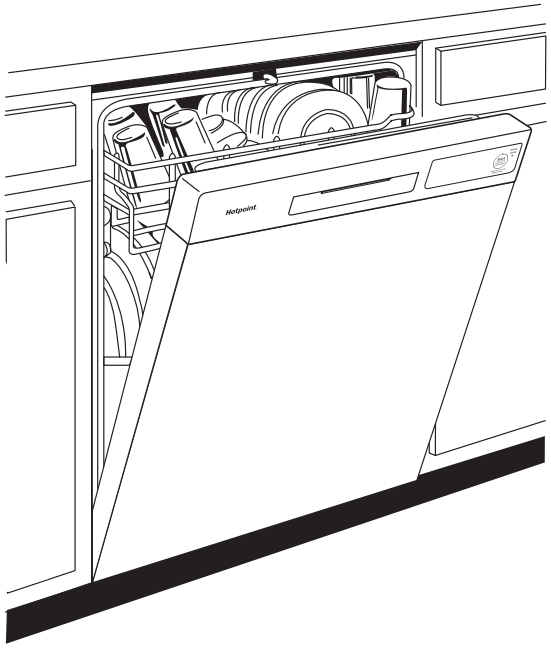

12 Place Setting Dishwasher – This dishwasher holds up to 12 place settings, so you can easily clean dishes after large gatherings.

Silverware Basket – A removable silverware basket makes it easy to load and unload utensils.

Sleek, Modern Look – The exterior appearance of this dishwasher looks great in any kitchen.

Top or Side Mount Installation Brackets – Easily mount the dishwasher under your countertop or to the side of your cabinets using installation brackets for any type of countertop.

Built-Up Floor Capable – This dishwasher has adjustable heights, making it easy to install over built-up floors.

Model HDF310PGRWW – White on white

Model HDF310PGRBB – Black on black
