DESIGNED FOR YOUR DREAM KITCHEN

The Sharp® SSG3065JS Slide-In Convection Gas Range is built for your dream kitchen. The sleek, modern edge-to-edge black glass with stainless steel finish complements your style. And you can keep your countertops clear of single-serving appliances because the SSG3065JS is also a family-size air fryer!

The SSG3065JS cooktop has five gas cooking zones with 54,000 BTU of combined power. The 6.1 cu. ft. oven features powerful 34,500 BTU bake and broil elements with a convection system to cook evenly and heat efficiently. Seven sculpted rack positions, the included standard rack, and the glide rack create a versatile cooking space and make cooking for a crowd simple. The built-in temperature probe takes the guesswork out of cooking by monitoring your masterpiece and can tell your oven to turn off when your food reaches the set internal temperature. Thoughtful presets include Air Fry, Pizza, Convection Bake, Convection Roast, Bake, and Broil. Self Clean and Steam Clean modes help keep your oven clean without the need for harsh chemicals.

The Sharp SSG3065JS turns itself off after 12 hours for added peace of mind. The cooktop controls can be locked to prevent accidental operation, and the Hot Surface Indicator lets you know at a glance if the cooking surface is hot. In Addition, the Sharp SSG3065JS oven also provides an exceptional 2 year limited warranty for your extra peace of mind.

34,500 BTU heating elements and convection fan complement the large 6.1 cu. ft. cavity

5 durable, die-cast knobs with illuminated rings make it easy to see when a burner is turned on.

Premium Glide-Rack allows for removing even the heaviest cookware

Air Fry mode makes food moist on the inside and crispy golden-brown on the outside
