# 30" Full Depth Slide-In Electric Range

## BERU30524SS / BERC30524SS

## Key Features & Benefits

### True European Convection
True European Convection utilizes a dedicated heating element around the rear fan to circulate warm air evenly and consistently throughout the oven, allowing you to cook multiple dishes at once on different racks.

### Large Oven Capacity
With its spacious Large Oven Capacity, you'll have plenty of room to prepare all your dishes for family meals with ease.

### 12" Cooking Zone
Equipped with an extra-large 12" Cooking Zone, this spacious feature ensures fast, efficient cooking for oversized pots and pans of any shape.

### Airfry
AirFry delivers crispy food without the use of cooking oil, resulting in a healthy way to enjoy the taste of fried foods without the frying. AirFry also requires no pre-heat time. Faster and healthier cooking made easy.
