SAMSUNG

Dimensions

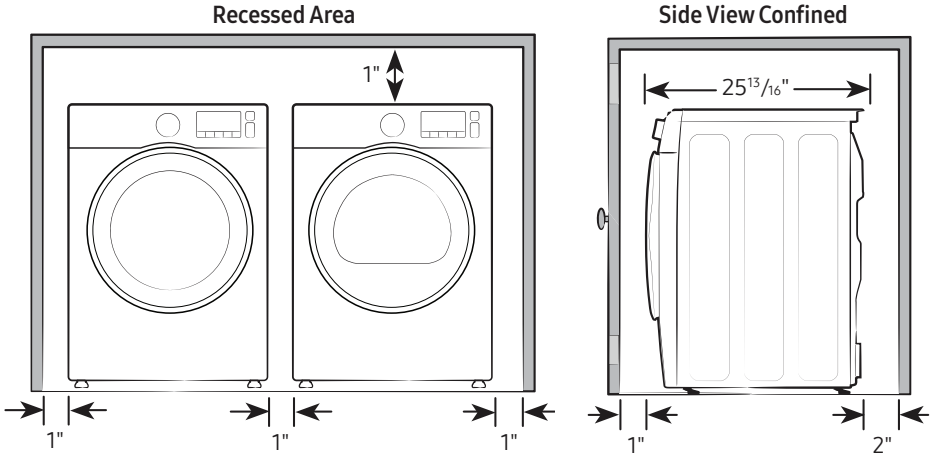

Installation Specifications – Side-by-Side or Stand-Alone

If the washer and dryer are installed together or the dryer alone, the closet front must have two unobstructed air openings for a combined minimum total area of 72-inch^2. Your washer alone does not require a specific air opening.

Alcove or closet installation

Minimum clearances for closet and alcove installations:

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
