**Works with Alexa[1] to Help Conveniently Control Your Dishwasher**

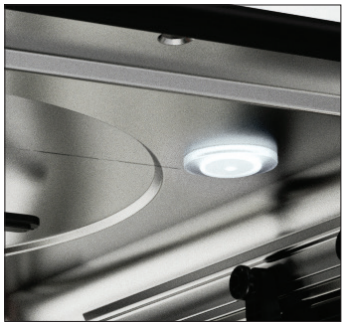

## A SMART DISHWASHER FULL OF BRIGHT IDEAS

The Sharp® SDW6888JS balances features and options to make a better dishwashing experience for the heart of your home. With six washing cycles, seven options, outstanding washing power, and an adjustable upper rack, the SDW6888JS is ready to clean up after the big celebrations and the cozy staycations!

The Auto and Normal washing cycles work with smart sensors to automatically optimize performance. Forgot to soak the casserole dish? Place your most challenging cookware above the Power Wash sprayer for extra scrubbing power. The traditional, heated dry and fan dry option of the SDW6888JS delivers the speed and performance you expect and minimizes hand-drying. The Wash Zone option gives you the freedom to use the upper or lower rack depending on the amount of dishes you want to wash.

Classic and elegant, the SDW6888JS offers luxuries inside and out with two premium interior white LED lights. Feel the quality and strength of the premium smooth glide rails as the racks slide easily with the slightest touch. The brilliant, stainless steel finish is easy to clean and complements other stainless steel appliances, while the hidden control panel helps minimize distractions.

The powerful and versatile features of this premium dishwasher give you more than peace of mind. The Sharp SDW6888JS also gives you peace and quiet at a serene 42dB, with the Brushless DC motor technology. Balance and Harmony. Exceptional Quality. The SDW6888JS Stainless Steel Dishwasher from Sharp.

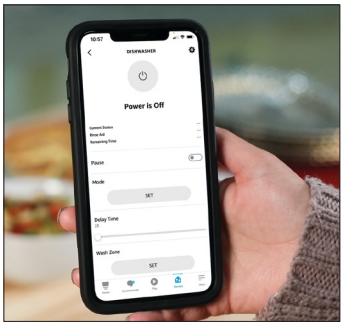

The SDW6888JS features a durable stainless steel interior and two bright white LED interior lights

The wide and deep third rack is ideal for flatware and serving instruments such as spatulas and other baking utensils

Adaptive Option Indication using the back lit control panel shows you available options for each washing cycle

The SDW6888JS features remote operations by Alexa voice commands with the Amazon Alexa app
