5.1 cu. ft. Freestanding Gas Range with Five Burners

Color Black-on-Stainless

Product Description

Enjoy the flexibility and efficiency you need to prepare holiday meals and everything in between with this 5.1 cu. ft. capacity freestanding gas range. Multiple Power™ burners make high heat tasks like searing and frying easy, while an 8,000-BTU middle burner offers added flexibility and room to cook all of your favorite dishes. Plus, it's easy to slide heavy pots and pans across the continuous, satin-finish cast-iron grates to the optimal cooking location. The large oven window lets you monitor cooking progress without opening the door and disturbing the oven temperature. And when you need to toast a large batch of garlic bread or melt cheese on burgers for the whole family, the full-width under-oven broiler provides enough space to broil an entire rack of food.
