FEATURES & BENEFITS

Impress your guests every time you open the drawers with an attractive **stainless steel interior** that is also easy to clean.

Never let grabbing a quick snack interrupt your conversations, thanks to **soft-close drawers** that slide quietly closed.

Favorite wines are always perfectly chilled and ready to serve with a large **5.7 cu. ft. capacity** that easily holds upright bottles.

Keep all your fresh foods and drinks organized with an **adjustable divider** that maximizes flexibility and storage capacity in both drawers.

Fresh vegetables and craft beers are always stored in their ideal climate, thanks to an **exact temperature control** that chills items between 34˚ and 45˚ F.

Sharable foods are easy to find and easy to serve with **LED lighting** that provides clear, bright light throughout the drawers.
