Key Features & Benefits

Low Profile Design
Maximize space by moving your microwave off the countertop with a Low Profile design that fits in the same space as your undercabinet hood.*

Purposeful Capacity
Fit tall glasses, wide plates and big bowls in this low profile microwave that still has enough room for all the essentials with 1.1 cu. ft. of purposeful capacity.

400 CFM Motor Class High Performance Venting
Keep your kitchen smelling like home with 400 CFM motor class high performance venting that quickly gets rid of smoke, odor and moisture.**

*Based on 24" minimum install for undercabinet hoods and Low Profile Microwave Hood. **Performance varies based on installation. NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
