GE Profile™ 5.4 cu. ft. Capacity Washer with Smarter Wash Technology and FlexDispense™

FEATURES AND BENEFITS

Smart Wash & Smart Rinse – Sensors measure soil and detergent levels throughout the cycle and during the rinse to optimize wash and rinse times, deliver better fabric care and ensure a thorough clean.

Enhanced Smarter Wash Technology – Adaptive Smarter Wash Technology enables greater optimization of cleaning power and fabric care within each cycle.

Smart FlexDispense® – Dedicated dispensers for detergent, detergent packs like Tide PODS™, fabric softener and other common additives speed up activation and optimize cleaning performance.

Power Pre-Wash – Clean even the most heavily soiled items with a single cycle that adds detergent, agitates, soaks, drains the dirty water and repeats the wash process with clean water and fresh detergent.

Microban® Antimicrobial Technology – Antimicrobial protection is built into key washer components to help prevent the growth of odor-causing bacteria in areas like the tub, dispenser drawer and drain hose.

Quiet Wash w/dBT – The direct drive motor and patented Dynamic Balancing Technology minimizes uneven loads and provides a quieter wash.

Tangle Control – Intelligent technology adapts the wash action to minimize tangled loads.

10-year Limited Warranty – Enjoy peace of mind knowing your washer is backed by a 10-year limited warranty.

Easier Access Capacity – Enjoy large capacity and still reach the bottom of the washer with comfort and ease.

Smart Features powered by SmartHQ™ – Ensure your washer always has the latest features, including customized stain removal technology and extra cycles for active wear and casuals. Plus, easily control and monitor your laundry from anywhere, receive remote status notifications and more.

Sanitize with Oxi – Remove 99% of bacteria in your laundry thanks to a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power.

Deep Fill – Enjoy total control and customization of your water levels with just the touch of a button.

ENERGY STAR® qualified – Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings

Model PTW700BSTWS – White with silver backsplash

Model PTW700BPTDG – Diamond Gray
