RF31CG7400

SAMSUNG

Large Capacity 4-Door French Door 30 cu. ft. Refrigerator with 4 types of ice

Signature Features

Large 30 cu. ft. Capacity
Store more groceries with more room to stay organized. Large 30 cu. ft. capacity fits big bulky items and provides easy access to everything you need.

Four Ice Types
Enjoy your favorite beverage with your choice of ice. Choose cubed ice or Ice Bites™ from the Dual Ice Maker in the freezer drawer, or opt for curved or crushed ice from the external dispenser.

Modern Design
A flat-front design with low-profile door handles and recessed drawer handles fit seamlessly into your kitchen.

SAMSUNG

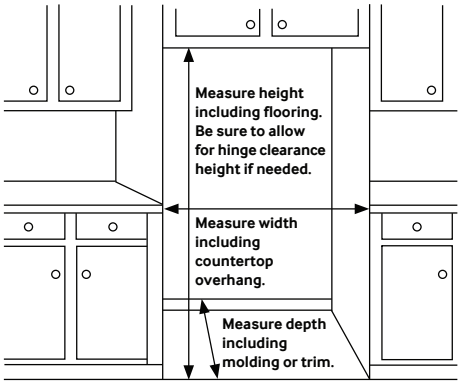

Large Capacity 4-Door French Door
30 cu. ft. Refrigerator with 4 types of ice

Installation Specifications

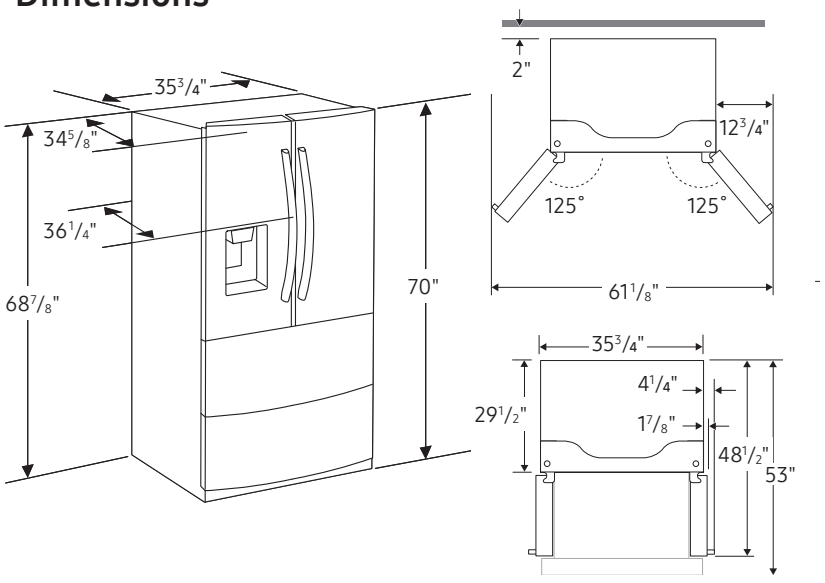

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

Dimensions

Total Capacity: 29.8 cu. ft.
