Hands-free AutoFill - Hands-free AutoFill uses sensors in the refrigerator dispenser to release the exact amount of filtered water you want, so you can walk away while your bottle fills up.

Adjustable Temperature Drawer - This adjustable temperature refrigerator drawer has 4-settings that let you store specific types of food and drink at the ideal temperature, including meat, beverages, snacks or wine.

LED Light Wall - The showcase LED light wall sheds bright, uniform light throughout the interior of this LED refrigerator, illuminating every shelf and making even the smallest items easy to find.

Door-in-Door Storage - Easily store and access your favorites, including taller items like wine bottles, with an innovative door in door design and convenient rotating bin.

Removable Bin Caddy - Enjoy more storage flexibility and better organization with a refrigerator caddy that can store a range of items and be used as an adjustable drawer divider.

Built-in Wi-Fi - This smart refrigerator sends instant alerts to a smart device, allows for the customization of the LED light wall brightness, enables Turbo Cool and Turbo Freeze settings and more, thanks to built-in WiFi powered by SmartHQ app.

Turbo Cool & Freeze - Designed to optimize food and drink storage conditions, the Turbo Cool Setting, which is accessed through the SmartHQ app, drops the refrigerator's interior temperature to maintain freshness after frequent door openings.

Soft-Close Produce Drawers - Access fresh fruits and vegetables with ease, thanks to a refrigerator with soft close vegetables drawers that won't slam shut.

Dual-Evaporators - This dual evaporator refrigerator features TwinChill™ evaporator climate zones in the fresh food and freezer sections, which help keep food at optimum freshness.

Integrated Dispenser with Sensor - The integrated dispenser blends in with the refrigerator when not in use and, thanks to its refrigerator dispenser sensor system, automatically illuminates when you're close by and ready to use it.

Tilt-Out Bonus Storage - Tucked onto the freezer drawer, this spot provides extra storage space in the freezer for small items like ice packs, popsicles, and smoothie bowls.
