Key Features & Benefits

Automatic Dryness Control
Automatic Dryness Control uses temperature sensors to end the cycle at the right time to help prevent overdrying, so favorite items like comfy sweatpants get just the perfect dry.

Wrinkle Prevent Option
When you can't fold right away, use the Wrinkle Prevent Option. It tumbles clothes intermittently without heat to help prevent creases and crinkles from settling in.

6.5 Cu. Ft. Capacity
6.5 cu. ft. Capacity can help take a load off your mind.
