FEATURES & BENEFITS

Seamless glass surface streamlines and simplifies cooking - A sleek look is yours with an edge-to-edge glass cooktop that provides a seamless, easy-to-clean surface with more usable cooking space for five course meals

The perfect match for pots and pans of all sizes - Tailor your burner size to your cookware with a 12"/9"/6" element with Power Boil

Precise control delivers consistently delicious results - Achieve perfectly even desserts with accurate heat circulation thanks to True European Convection with Precise Air

An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights, your vent when a range burner is in use, and even your microwave and range clocks

Tough racks simplify loading and unloading - Easily access everything from heavy roasts to delicate desserts with heavy duty roller racks that glide smoothly on ball bearings and can stand up to the heat of self-clean

When you're updating your kitchen, attention to detail is a priority. That's why Café 30" slide-in ranges are guaranteed for an exact fit or Café Appliances will pay up to $300 toward modifications.

Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door

WIFI-ENABLED FEATURES

Built-In WiFi, Powered by SmartHQ™ App - Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant

Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire

No-Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray

DIMENSIONS

Receptacle Locations: Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against rear wall.

Note: This appliance has been approved for 0" spacing to adjacent surfaces above the cooktop. However, a 6" minimum spacing to surfaces less than 15" above the cooktop and adjacent cabinet is recommended to reduce exposure to steam, grease splatter and heat.

Installation Information: Before installing, consult installation instructions for current dimensional data and additional requirements.

Note A: 30" Minimum to bare cabinet, see installation instructions heights less than 30"
