Key Features & Benefits

Infinity Slide Shelf
Make room for large, high-traffic items with an adjustable shelf that slides back and stops at any point to give you the space you need, even if it's just an inch, so you can fit and find it all.

Pizza Pocket
Easily store frozen pizzas upright without the hassle of trying to fit them on flat freezer shelves. When the last of the frozen pizza is gone, this adjustable shelf can be folded down so you can store and still find smaller frozen items.

Can Caddy
Free up shelf space and get more flexibility using this in-door can caddy that holds either cans or bottles.
