30" Full Depth Slide-In Induction Range

BIRU30424SS / BIR30424CSS

Key Features & Benefits

True European Convection
True European Convection utilizes a dedicated heating element around the rear fan to circulate warm air evenly and consistently throughout the oven, allowing you to cook multiple dishes at once on different racks.

Induction Technology
Induction offers faster cooking, more precise temperature control resulting and easy cleaning.

Interior Illumination
Featuring bright interior halogen lighting for full visibility while baking, braising and roasting.

Airfry
AirFry delivers crispy food without the use of cooking oil, resulting in a healthy way to enjoy the taste of fried foods without the frying. AirFry also requires no pre-heat time. Faster and healthier cooking made easy.
