# CAFÉ™ Professional Series 30" Built-In Double Electric Convection Wall Oven

CTD70DP2ZS1

This model requires a one-time WiFi connection to download oven features and functionality enabled by software. Follow instructions on your LCD screen on how to connect.

## FEATURES & BENEFITS

The perfect bake is now perfectly easy – Achieve unrivaled performance with the only system that delivers top-down true convection for consistent results on special occasion favorites like roasts, chicken, turkey and more

Precision is the name of your cooking game – Confidently try new recipes and perfectly execute your favorites, using a smart system that is powered by algorithms that track the food's progress and dynamically adjusts time and temperature by precisely managing heat and airflow

Fried taste. Crisp texture. Less oil. – Make your favorite "fried" foods healthy, thanks to Air Fry Mode that crisps without using oil for frying

No preheat, no hassle – Save time with a variety of precision cooking modes that eliminate the need for preheating

Brighten up life in the kitchen – Easily navigate wall oven settings using a stunning full-color display that adds an unexpected touch of style to your kitchen

Enjoy convenient temperature control from anywhere – Preheat while running errands or change oven temperatures while doing yard work with the SmartHQ™ App

Say goodbye to guesswork with integrated tools that let you set and label unlimited timers

Say hello to cooking in style with built-in premium Bluetooth speaker. Easily connect your smartphone to stream your favorite music or podcasts, turning every meal into a more enjoyable, immersive experience

Get a custom look in the kitchen by selecting your favorite hardware and finish combination. Choose from Matte White, Matte Black and Stainless Steel finishes, and Brushed Copper, Brushed Bronze, Brushed Black and Brushed Stainless hardware

| Warranty Notes | See Written Warranty For Full Details |

## DIMENSIONS AND INSTALLATION INFORMATION

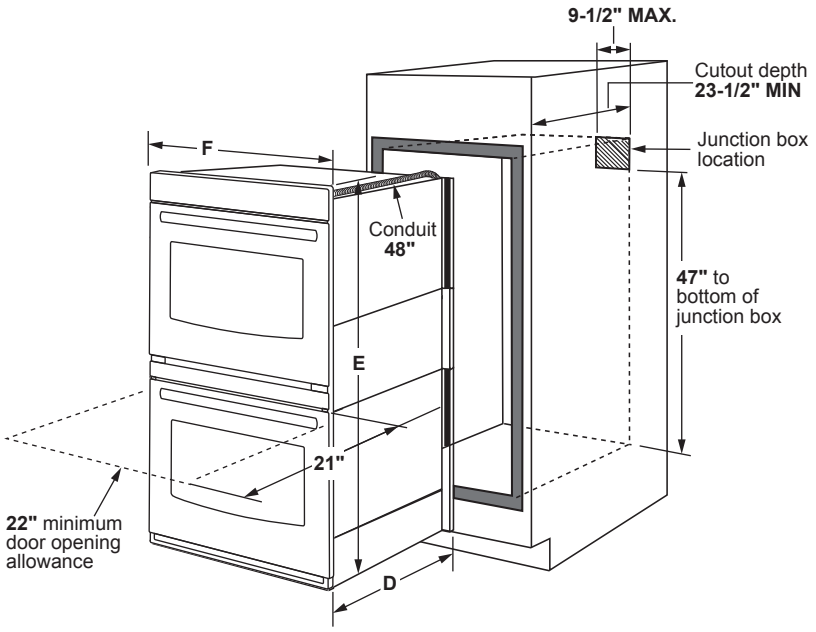

Wall coverings, countertops and cabinets surrounding the wall oven must be able to withstand a temperature of up to 200°F (94°C).

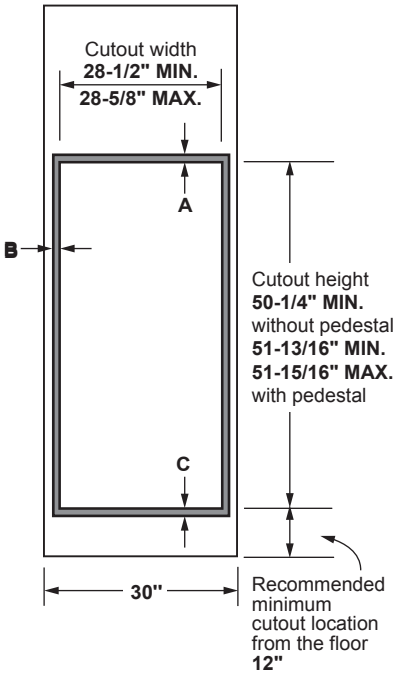

If the cabinet in which the wall oven is installed does not have a solid bottom, two braces or runners must be installed to support the weight of the oven. The runners and braces must support up to 400 lbs (181 kg).

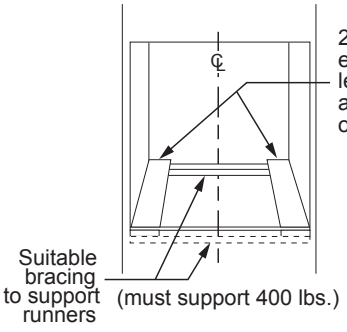

Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.

**ATTENTION INSTALLER:** Electric wall ovens are NOT approved for installation with a plug and receptacle. They must be hard wired into an approved junction box.

**IMPORTANT:** Before installing, consult installation instructions packed with product for current dimensional data.

| Cabinet | 30" |
|---|---|
| A - Overlap of oven at top of cutout | 1" |
| B - Overlap of oven other side of edge of cutout | 3/4" |
| C - Overlap of oven at bottom of cutout | 1-1/4" |
| **Oven** | |
| D - Install depth | 23-1/2" |
| E - Overall height with trim | 53" |
| F - Overall width | 29-3/4" |

**Dimension and installation information are shown in inches.**

CTD70DP2ZS1

## DIMENSIONS AND INSTALLATION INFORMATION

30" double electric wall ovens are approved for installation above 27" and 30" warming drawers.

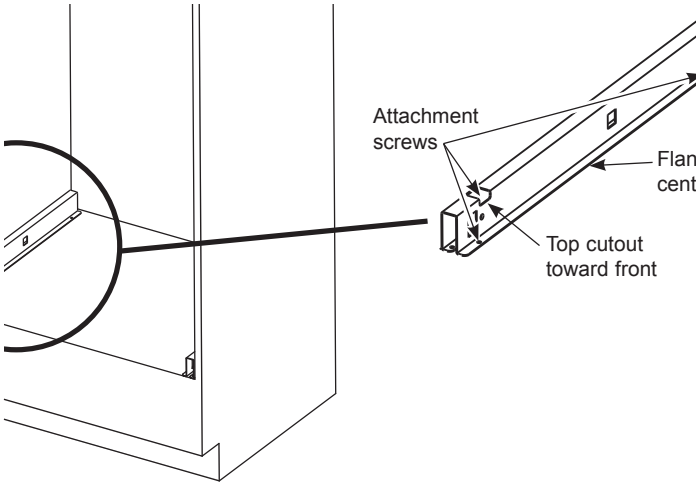

**WHEN TO USE THE PEDESTAL RAILS:** When replacing an older GE Appliances 30" double wall oven with a new GE Appliances model. Cutout height =51-13/16" to 51-15/16". This is our traditional cutout height.

**WHEN NOT TO USE THE PEDESTAL RAILS:** When replacing a 30" double wall oven from another manufacturer (i.e., Whirlpool) with a new GE Appliances model. Cutout height = 50-1/4". You will need to verify that the existing cutout matches the 50-1/4" dimension.

If the new GE Appliances 30" double wall oven is being installed into new construction (i.e., not a replacement), then the recommended installation is to use the pedestal rails.

**ATTENTION INSTALLER:** Electric wall ovens are NOT approved for installation with a plug and receptacle. They must be hard wired into an approved junction box.

**IMPORTANT:** Before installing, consult installation instructions packed with ALL products for current dimensional and combination data.
