24" 11.4 cu.ft. Counter-Depth Bottom Freezer Refrigerator, ENERGY STAR®

BRFB1045WH

Key Features & Benefits

Counter-Depth
These Counter-Depth Refrigerators are designed to blend seamlessly with your countertop, featuring hidden hinges and discreet, tucked-away feet for a truly built-in look and feel.

Duo Cycle Frost-Free Cooling
Duo Cycle Frost-Free Cooling maintains consistent air temperature and humidity in both the freezer and fresh food compartments, ensuring optimal food preservation and maximum energy efficiency.

Field Reversible Door
Flexibility in kitchen design is key. Reversible Doors give you the freedom to choose the direction in which your refrigerator opens, making it easier to integrate seamlessly into any layout.

Freezer Guard
With Freezer Guard technology, your freezer operates seamlessly in temperatures as low as -15°C (5°F), ensuring reliable performance in any environment.
