GE® ENERGY STAR® Top Control Hybrid Tub Dishwasher with Third Rack, Bottle Jets, Dry Boost and 50 dBa

Features and Benefits

Three-Rack Dishwasher – This dishwasher has a third rack without dedicated compartments, giving you extra capacity and flexibility to store everything from lids and serving utensils to small bowls

Bottle Jets – This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the four bottle jets directs water and detergent inside to effectively wash hard-to-reach areas

Dry Boost™ – Dry Boost gets hard-to-dry items like plastics up to 3x drier compared to heated dry

Steam + Sani – Save time with a Steam option that loosens tough soils before the wash cycle begins, so you get a complete clean with no pre-rinsing or soaking necessary. Plus, a Sanitization cycle reduces 99.999% of bacteria on dishes

AutoSense Wash Cycle – This energy-efficient dishwasher has an AutoSense cycle that detects the soil level and amount of dishes, then automatically adjusts wash settings for the ultimate clean

High Wash Performance – Get a complete wash with no pre-rinse, thanks to a variety of powerful wash cycles. No matter how many dishes you load or how dirty they are, rest assured you'll get spotless results every time

Adjustable Upper Rack – Enjoy flexible loading with an adjustable upper rack. Easily move it up or down to fit bottles, large platters and other items as tall as 10.5 inches

Choose Your Cycle – This dishwasher offers a heavy wash, normal wash and 1-hour wash cycle for outstanding wash performance and clean dishes every time, no matter the load size

Reliable Performance – This American-made dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle

Water Leak Sensor – This dishwasher features Active Flood Protect, preventing potential overflows for greater peace of mind. A water sensor cancels the wash cycle before a flood can occur and alerts you with blinking lights and a tone

Hard Food Disposer – The Piranha™ hard food disposer with a removable filter has a stainless steel blade that rotates, preventing large particles from clogging the wash arms and ensuring consistently clean dishes

ENERGY STAR® Dishwasher – This efficient, ENERGY STAR® dishwasher saves energy without sacrificing features or functionality

Hybrid Tub Dishwasher – Experience the perfect blend of sleek stainless steel and lasting durability. The hybrid design combines a stainless steel inner door with a durable plastic tub, ensuring reliability with every wash

Quiet 50 dBA Dishwasher – This quiet dishwasher provides a powerful clean without unwanted noise or disturbances. A status light on the door lets you know when it's running
