Samsung 18 cu. ft. Capacity Counter-Depth French Door Refrigerator

Available Colors

- Stainless Steel (shown)
- Fingerprint Resistant Black Stainless Steel
- White

Signature Features

Counter Depth

- More capacity, smaller floor space.
- Our 18 cu. ft. capacity French Door has enough room to fit up to 18 bags of groceries.[1]
- Stylish counter-depth design allows for more workable space in the kitchen.

[1] Grocery comparison based on each cubic foot of usable space equaling one paper bag.

Twin Cooling System®

- Refrigerator air is kept at higher, near-commercial-grade humidity levels to keep perishable fruits and vegetables from spoiling quickly.[2]
- Drier freezer air means less freezer burn for better-tasting frozen foods.

[2] Twin Cooling® humidity levels up to 5x higher than single cooling systems.

LED Lighting

- Beautifully lights up the interior so you're able to quickly spot what you want.
- Sleek design saves more space than traditional incandescent light bulbs.

Samsung 18 cu. ft. Capacity Counter-Depth French Door Refrigerator

Installation Specifications

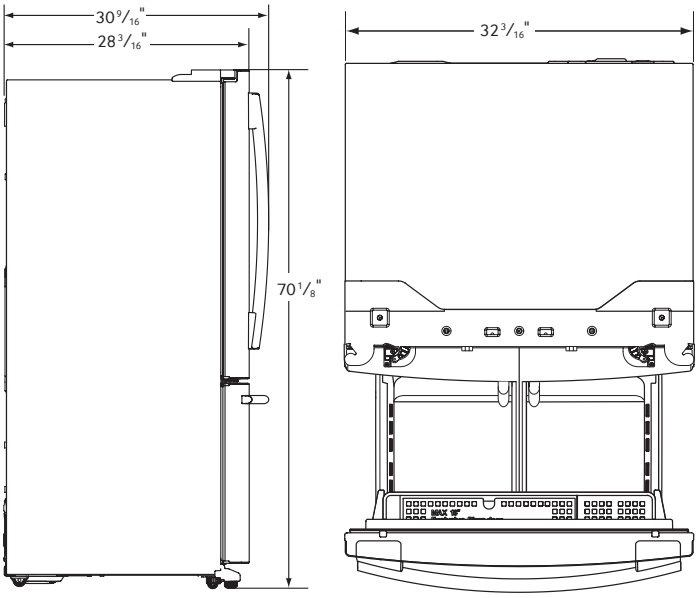

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.
