CF35F2G

Avanti Garage Ready 3.5 Cu. Ft. Chest Freezer

This versatile chest freezer is built for non-climate-controlled spaces like garages or basements. Its 2-in-1 design easily switches between freezer and fridge modes with an adjustable thermostat. Features include a lift-up lid with integrated handle, removable storage basket, power indicator light, and external temperature control for easy access and energy savings.

- 3.5 cu. ft. capacity with a compact footprint
- Convertible freezer / refrigerator design for flexible use
- Garage-ready operation for non-climate-controlled spaces
- External temperature control for quick, easy adjustments
- Removable storage basket for organized access
