SINGLE-LOAD TOP-LOAD WASHER
MVWP586GW

Bring the durability of a laundromat home.

This commercial-grade Maytag® washer brings rugged durability and high-grade performance to the home laundry room. Delivered straight from the commercial Maytag® washer assembly line, this washer features a robust build, including a 1/2 horsepower motor and dual-action agitator, surrounded by thick, galvanized steel paneling engineered to take a beating and resist corrosion.

POWERFUL 1/2 HP MOTOR

Our powerful 1/2 horsepower motor and sturdy drive system deliver the strength to handle large loads with ease.

DUAL-ACTION AGITATOR

The dual-action agitator helps move clothes through the water to create outstanding roll-over action, delivering a robust clean in short cycle times.

USER-SELECTABLE WATER LEVELS

Choose from 4 different water levels, low to deep water, to get the amount of water desired on any cycle.*

POWERWASH® CYCLE

The PowerWash® cycle with a selectable Deep Water cycle drenches loads and ensures that all detergent is mixed into every wash.

AMERICA
AN AMERICAN COMPANY FOR OVER 100 YEARS

*Fill rate also based on load size when using Normal Eco.
**When used only in a single-family home for non-commercial purposes. Alternate warranties for commercial and other uses.
†See product warranty for details.

OUR BEST WARRANTY

Our best warranty for a commercial-grade, in-home laundry appliance comes standard with this Maytag® washing machine. We confidently back this washer with a 10-year limited parts residential** warranty that includes all parts and labor for the first 5 years.†
