Key Features & Benefits

Continuous Cast Iron Grates
The Continuous Cast Iron Grates are expertly designed to effortlessly slide and move heavy pots and cookware across the cooking surface with ease.

Power Burner
The Power Burner is perfect for boiling, searing, and stir-frying. With its high-efficiency design, it lets you go from a gentle simmer to intense heat in no time, handling all your cooking needs with ease.

Auto Re-Ignition
The Automatic Re-Ignition feature quickly re-lights an extinguished burner if it's accidentally blown out by a draft, spill, or boil-over. This safety feature prevents gas buildup above the cooktop, reducing the risk of gas leaks.

One Piece Design
The seamless, One-Piece Stainless Steel Design makes cleanup effortless, even in the event of a spill.
