FEATURES AND BENEFITS

Reliable Performance – This American made dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle.

Dry Boost™ – Featuring Dry Boost, this dishwasher is the best drying dishwasher in its class and gets dishes 7xs drier. *With use of Dry Boost tested against similar featured products: FFID2426TS3A, WDF520PADM, DW80R2031US

Steam+Sani – Save time with a steam and sanitize option that loosens tough soils before the wash cycle begins, so you get a complete wash with no pre-rinsing or soaking necessary. Plus, a sanitization cycle reduces 99.999% of bacteria on dishes.

Water Leak Sensor – This dishwasher features Active Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high, pumping it out until a safe level is reached.

High Wash Performance – Get a complete wash with no pre-rinse, thanks to a variety of powerful clean wash cycles. No matter how many dishes you load or how dirty they are, rest assured you'll get spotless results every time.

Reliable Dishwasher Performance – This reliable dishwasher is built to provide years of dependable performance, so you know your dishes will be clean and dry every time.

Choose Your Cycle – This dishwasher offers a heavy wash, normal wash, rinse cycle and a 1-hour wash cycle for outstanding wash performance and clean dishes every time, every load size.

Dishwasher with Upper & Lower Rack Capacity – This well-designed dishwasher has an upper and lower rack, which offers loading flexibility and total wash coverage on both racks.
