GTW585BPVDG

GE 4.5 cu. ft. Capacity Washer with Water Level Control

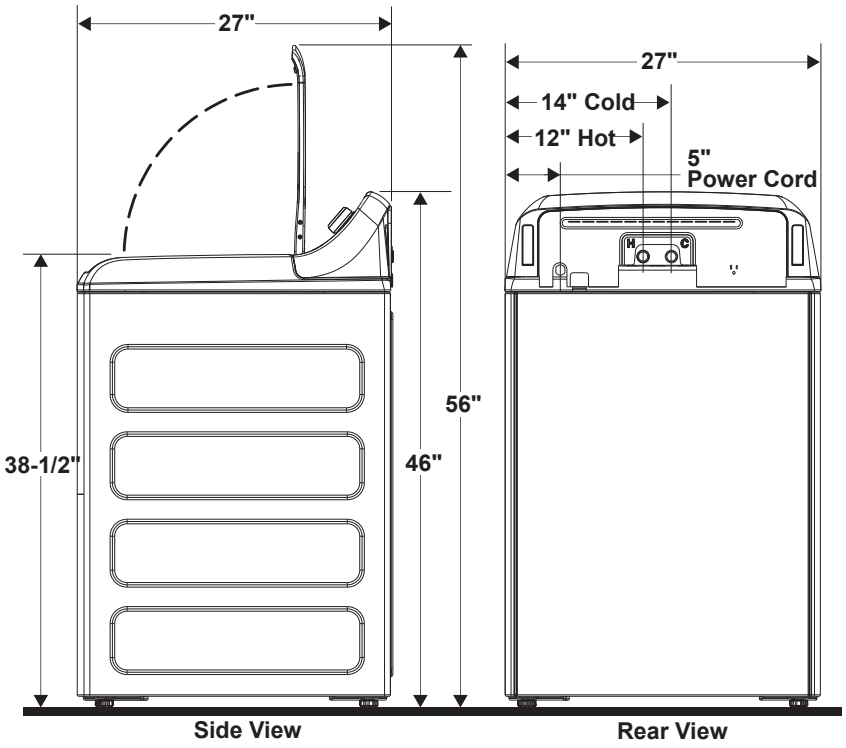

DIMENSIONS AND INSTALLATION INFORMATION (IN INCHES)

CIRCUIT REQUIREMENTS: An individual, properly-grounded branch circuit, with a three-prong grounding-type receptacle, protected by a 15 or 20 amp circuit breaker or a time-delay fuse, is required.

ELECTRICAL RATING: 120V, 60Hz, 10A

NOTE: Washer wall outlet must be located within 36" of service code entry. Wall outlet must not be located behind dryer.

INSTALLATION INFORMATION: Before installing, consult installation instructions packed with product for current dimensional data.

POWER CORDS

GE Appliances strongly recommends the use of factory specified parts. Select the power cord to fit your installation requirements.

NOTE: If your dryer circuit is on a circuit protected by a GFCI breaker, then 3-wire installation is not permitted. House wiring and dryer must be configured for 4-wire.

Part Number	Type	Length	Amperage
WX9X2	3-Prong	4 Feet	30
WX9X3	3-Prong	5 Feet	30
WX9X4	3-Prong	6 Feet	30

GE 4.5 cu. ft. Capacity Washer with Water Level Control

FEATURES AND BENEFITS

Water Level Control – This top load washer with water level control and Extra Rinse option allows you to use as much or as little water as necessary to get the perfect clean.

My Cycle Setting – Make laundry simpler by saving your favorite wash settings as a preset for future use with the My Cycle setting.

Eco Cold – Conserve energy and save money on your utilities costs with a convenient Eco Cold laundry setting that adjusts wash action and time while still achieving great results*

*Energy savings going to cold water from default temperature settings

Soak Rinse – Reduces bacteria and viruses with a final cold soaking rinse when using color-safe liquid sanitizers to boost your detergent's cleaning power and remove tough odors on even your most delicate laundry.

Quick Wash – This washer with quick wash allows you to enjoy great wash performance in under 24 minutes. *Using default settings.

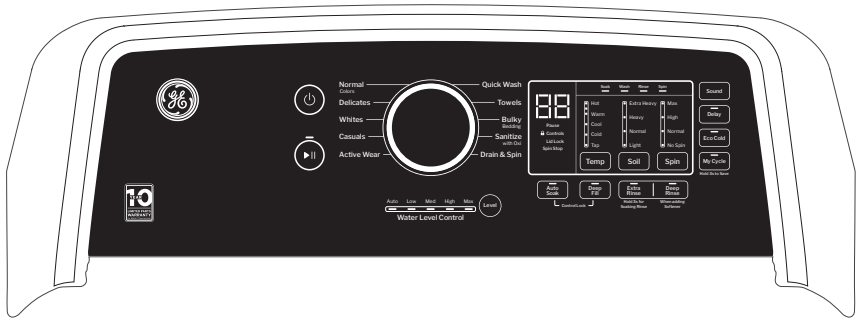

Deep Fill – This Deep Fill washer give you total control of water level. Press once for an additional 3 gallons or press and hold to fill up a full 26 gallons.

Dual Action Agitator – This durable, built-in Dual Action Agitator applies a gentle reversing agitation motion to achieve a deep clean while being gentle on your clothes.

Custom Wash Settings – Optimize your laundry settings with the total flexibility to adjust rinse, temperature, spin or soil level to get the best clean for each load.

Auto Soak – This washing machine with Auto Soak option adds a pre- wash soak of up to 2 hours before automatically moving to the wash cycle for optimal stain removal.

Model GTW585BPVDG – Diamond Gray

MODIFIED ENERGY FACTOR (IMEF)	1.57
