Café™ 30" Slide-In Front Control Gas Double Oven with Convection Range

CGS750P4MW2 / CGS750P2MS1

ALSO AVAILABLE IN

CGS750P2MS1
Stainless Steel with Brushed Stainless handles and knobs

FEATURES & BENEFITS

Create dinners and desserts at the exact same time – From everyday gourmet meals to large dinner parties, achieve impressive results with two independent ovens with a total capacty of 6.7 cu. ft. for true cooking flexibility, along with the accurate heat circulation of True European Convection with Precise Air in the lower oven

An attractive appearance at all times – Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

Enjoy total control in the kitchen and beyond – Control your oven with your smart device or simply your voice using WiFi Connect

Expansive six-burner cooktop helps you entertain with ease – Entertaining for large groups is easy with the industry's first six-burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites

Share favorite creations with your favorite people – Create an unforgettable dinner, using a 21K tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K Power Boil™ burner to boil water quickly for al dente angel hair pasta

Prepare foods to perfect doneness – Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door

Create a look that matches your personal style – Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Never-scrub racks – Easily remove everything from heavy roasts to delicate desserts with never-scrub racks that stay in the oven during the self-clean cycle
