GE® 4.0 cu. ft. Capacity Washer with Stainless Steel Basket and Water Level Control

FEATURES AND BENEFITS

Large 4.0 Cu. Ft. Capacity – Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.

Water Level Control – Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.

Heavy-Duty Agitator – Powerful Heavy-Duty Agitator provides better turnover for bulky items and thorough cleaning oflarge loads while still offering a gentle touch for delicate items.

Deep Clean Cycle – Achieve the ultimate deep clean for your toughest laundry loads in this heavy soil washing machine. It performs with 67% more cleaning power than normal cycles.* *Colors, Normal cycle.

Deep Rinse – Ensure that all your garments are free from detergent, fabric softener, stubborn soils and even pet hair in this deep rinse washing machine.

Stainless Steel Drum – Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags

Late Lid Lock Safety – Pre-treat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.

Status Notification – Effortlessly monitor your wash cycle using the notication display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.

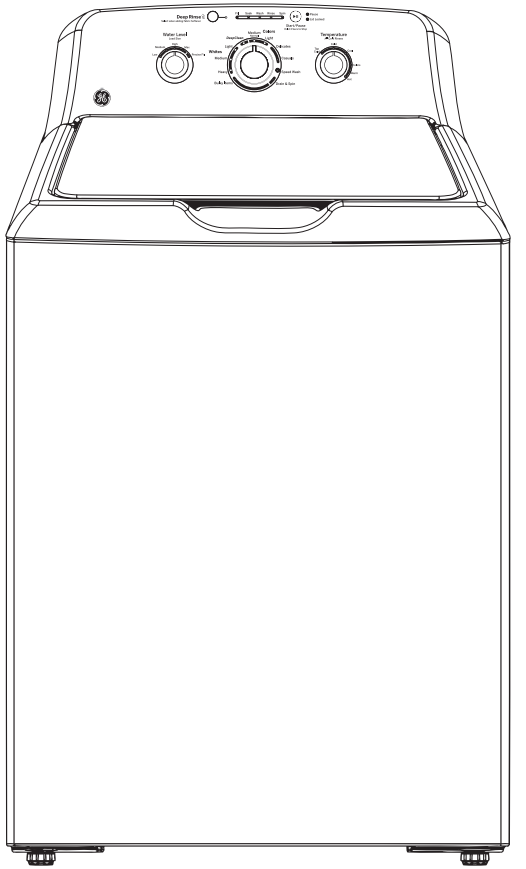

Bleach and Fabric Dispensers – Eliminate the need to add bleach and softeners mid-cycle with automatic bleach and softener dispensers in the washing machine.

Made in America – This American-Made washing machine contains 70 to 90% U.S. content.

11 Wash Cycles – Choose from 11 trusted washer cycles that can accommodate any and every load type.

6 Water Temperatures – Pick the water temperature you prefer and wash your way in this flexible washing machine.

MATCHING DRYERS:
GTX33GASKWW – GE® 6.2 cu. ft. Capacity Gas Dryer with Up To 120 ft. Venting and Shallow Depth
GTX33EASKWW – GE® 6.2 cu. ft. Capacity Electric Dryer with Up To 120 ft. Venting and Shallow Depth

Model GTW325ASWWW – White
