RF18A5101

SAMSUNG

17.5 cu. ft. Smart Counter Depth 3-Door French Door Refrigerator

Signature Features

Counter Depth

Built-in look for a seamless fit. The smooth and streamlined exterior design features beautiful flat doors and easy-to-open recessed handles that blend seamlessly into your cabinetry, adding function and style to your kitchen.

Wi-Fi Enabled

Use the SmartThings App[1] on your smartphone to control the temperature and monitor your refrigerator remotely.

[1]Available on Android and iOS devices. A Wi-Fi connection and a Samsung account are required.

ENERGY STAR® Certified

Eco-friendly and energy-efficient.[2]

[2]Visit www.energystar.gov for more information on ENERGY STAR® guidelines.

Fingerprint Resistant Finish

A finish that withstands everyday smudges, so you spend less time cleaning.

- Power Cool & Freeze
- Ice Maker - Stores up to 5.5 lbs of ice

Rating

ENERGY STAR® rated:
540 kWh/yr

ADA Compliant

RF18A5101

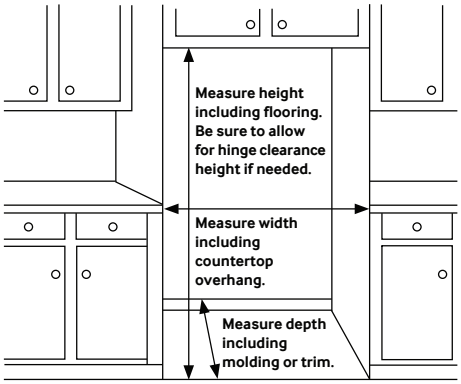

17.5 cu. ft. Smart Counter Depth 3-Door French Door Refrigerator

Installation Specifications

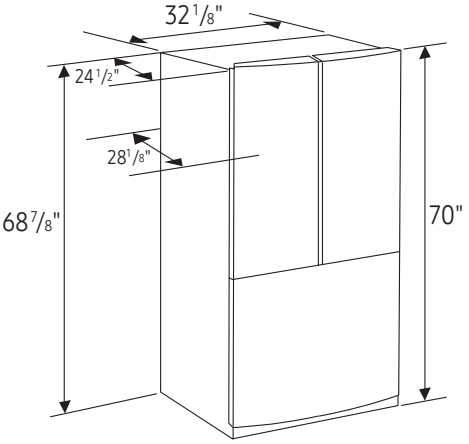

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 1½" of clearance on hinge side of refrigerator when installing next to a wall where door may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a ⅜" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

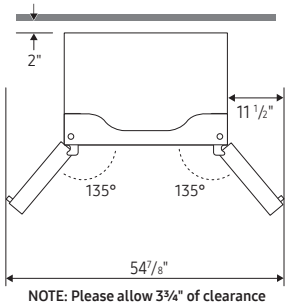

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

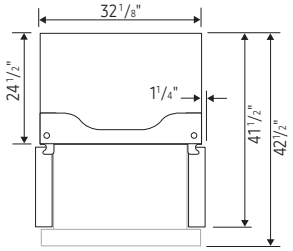

Dimensions

NOTE: Please allow 3¾" of clearance when installing along a wall.

Total Capacity: 17.5 cu. ft.

Refrigerator: 11.7 cu. ft.
- 3 Tempered Glass Spill-Proof Shelves
