CAFÉ™ 30" Duo Smart Single Wall Oven in Platinum Glass

CTS92DM2ZS5

This model requires a one-time WiFi connection to download oven features and functionality enabled by software. Follow instructions on your LCD screen on how to connect.

FEATURES & BENEFITS

Cook two things in the oven at once, at two different temperatures, so that your entire meal will be done on time.

Preheat the oven quickly and cut down on preheat time with a speedy preheat feature.

This oven features True European Convection, an advanced convection system that uses a third heating element and reversing fan for the highest level of heat and air circulation.

Simplify cooking with precision modes like artisan pizza, salmon, roasted vegetables, and bacon. Designed by our cooking scientists, these modes use tailored temperature and fan adjustments to track progress and deliver optimal results

Brighten up life in the kitchen – Easily navigate wall oven settings using a stunning full-color display that adds an unexpected touch of style to your kitchen

Fried taste. Crisp texture. Less oil. – Make your favorite "fried" foods healthy, thanks to Air Fry Mode that crisps without using oil for frying

Enjoy convenient temperature control from anywhere – Preheat while running errands or change oven temperatures while doing yard work with the SmartHQ™ App

Say goodbye to guesswork with integrated tools that let you set and label unlimited timers and use a built-in chatbot (on select models) for instant answers on temperatures, substitutions, conversions, and more

WIFI-ENABLED FEATURES

Built-In WiFi, Powered by SmartHQ™ App - Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant

Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven
