GE® ENERGY STAR® 4.6 cu. ft. Capacity Washer with Stainless Steel Basket and Stain PreTreat

FEATURES AND BENEFITS

Large 4.6 cu. ft. Capacity – Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.

Stain Pretreat – Optimize wash action and temperatures to help remove the most common stain types, including tomato, dirt, grass and wine, eliminating the guesswork for great cleaning results.

Energy Star – This energy star washing machine meets or exceeds federal guidelines for energy efficiency for year-round savings.

Deep Fill – Press a single button on this deep-fill washer to add an additional 3 gallons of water or press and hold the button to fill up to a full 26 gallons.

High Performance Impeller – This impeller washing machine has a low profile that provides more room for bulky items and easy access for unloading - all with the same great cleaning performance as an agitator.

Deep Rinse – Ensure that all your garments are free from detergent, fabric softener, stubborn soils and even pet hair in this deep-rinse washing machine.

Stainless Steel Drum – Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags

Late Lid Lock Safety – Pre-treat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.

Status Notification – Effortlessly monitor your wash cycle using the notication display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.

Made in America – This American-made washing machine contains 70 to 90% U.S. content.

13 Wash Cycles – Choose from 13 trusted washer cycles that can accommodate any and every load type.

6 Water Temperatures – Pick the water temperature you prefer and wash your way in this flexible washing machine.

Deep Clean Cycle – Achieve the ultimate deep clean for your toughest laundry loads in this heavy soil washing machine. It performs with 67% more cleaning power than normal cycles*. *Colors, Normal cycle

10-Year Limited Motor Warranty – Enjoy peace of mind for years to come with a washer warranty that backs the motor with a dependable 10-year limited warranty.

MATCHING DRYERS:
GTD38EASWWS – GE® 7.2 cu. ft. Capacity Electric Dryer with Up To 120 ft. Venting and Reversible Door
GTD38GASWWS – GE® 7.2 cu. ft. Capacity Gas Dryer with Up To 120 ft. Venting and Reversible Door
GTX38EASWWS – GE® 6.2 cu. ft. Capacity Electric Dryer with Up To 120 ft. Venting and Shallow Depth

Model GTW485ASWWB – White
