DURACORE™ SYSTEM

The commercial-grade DuraCore™ System eliminates high-maintenance belts, gears, and pulleys in favor of a robust Direct Drive Motor and Base-Mount Suspension, reducing parts by 50% to ensure your machine delivers long-lasting performance.

DURACORE™ DIRECT DRIVE MOTOR

Unleashes 900 RPM of speed to power through your toughest loads.

DURACORE™ BASE-MOUNT SUSPENSION

Built lower and wider to deliver a better center of gravity and provide superior out-of-balance performance.

POWERWASH® CYCLE

Uses deep water and precise detergent to saturate and conquer stains.

OUR BEST WARRANTY

We confidently back this washer with our best residential* warranty: 5-year warranty on all parts & labor plus an additional 5-year limited parts warranty on basket and motor.**
