GTW485ASWWB

GE® 4.5 cu. ft. Capacity Washer with Stainless Steel Basket, Cold Plus and Wash Boost

Model GTW485ASWWB – White

FEATURES AND BENEFITS

Large 4.5 cu. ft. Capacity – Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.

Wash Boost – Boost the wash performance of any cycle by adding an extra 15 minutes of soaking power for stubborn stains or more powerful agitation for heavily soiled items.

Cold Plus – Wash without compromise in cold water. When selected Cold Plus adjusts wash action to achieve a great clean on any wash cycle while saving up to 90% on energy costs*

True Dual-Action Agitator – This durable, built-in, Dual Action Agitator provides better circulation and turnover of clothes to achieve a deep clean while being gentle on your clothes.

Water Level Control – Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.

10-Year Limited Motor Warranty – Enjoy peace of mind for years to come with a washer warranty that backs the motor with adependable 10-year limited warranty.

Sanitize with Oxi – Remove 99% of bacteria with a dedicated cycle that lets you sanitize with Oxi. The additive boosts your detergent's cleaning power so that you can keep your fabrics looking and feeling their best.

Deep Fill – Press a single button on this deep-fill washer to add an additional 3 gallons of water or press and hold the button to fill up to a full 26 gallons.

Deep Rinse – Ensure that all your garments are free from detergent, fabric softener, stubborn soils and even pet hair in this deep rinse washing machine.

Stainless Steel Drum – Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags

Late Lid Lock Safety – Pre-treat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.

Status Notification – Effortlessly monitor your wash cycle using the notication display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.

Bleach and Fabric Dispensers – Eliminate the need to add bleach and softeners mid-cycle with automatic bleach and softener dispensers in the washing machine.

Made in America – This American-made washing machine contains 70 to 90% U.S. content.

MATCHING DRYER:
GTD48EASWWB – GE® 7.2 cu. ft. Capacity Electric Dryer with Up To 120 ft. Venting and Extended Tumble
GTD48GASWWB – GE® 7.2 cu. ft. Capacity Gas Dryer with Up To 120 ft. Venting and Extended Tumble

GE APPLIANCES

*Energy savings using cold water vs. hot water for the normal cycle with a max load using the DOE test procedure to measure machine and hot water energy.
