36” FULLY INTEGRATED BUILT-IN BOTTOM-FREEZER REFRIGERATOR (RIGHT-HAND DOOR SWING)

JB36NXFXRE

Signature Features

OBSIDIAN INTERIOR

Exclusive Obsidian interior dazzles guests as food item colors “pop”, even in matching crisper drawers and the freezer.

TWINFRESH™ CLIMATE CONTROL SYSTEM

This system creates two distinct environments, ideal for both fresh and frozen foods’ different preservation needs. It creates cool, humid air in the refrigerator and produces dry, frigid air in the freezer.

SOFT-CLOSE CRISPER DRAWERS

Soft-Close technology lets refrigerator drawers close softly, quietly, and securely.

FULLY FLUSH, FULLY INTEGRATED DESIGN

This integrated built-in refrigerator fits beautifully into any decor, blending into custom cabinetry with a truly seamless appearance, reflecting your appreciation for the fine details of design. Must be installed in a 25" deep cabinet to achieve the fully flush look.

MULTI-POINT LED THEATER LIGHTING

Multiple LED lights increases visibility and beautifully showcases food items against the Obsidian interior, on both Elegance Shelving and inside refrigerator and freezer drawers.

ELEGANCE SHELVING

Glass shelves accented with brushed aluminum trim appear to float with an open, refined look, providing enhanced visibility while making foods and beverages easy to see and locate.

STYLE WITH CUSTOM WOOD PANELS OR SUITE-COORDINATING STAINLESS STEEL PANEL KITS (NOT INCLUDED)

Customize the exterior with wood panels to seamlessly blend with surrounding cabinetry for a fully integrated look, or pair with Euro-Style or Pro-Style® Stainless panel kits to match other Jenn-Air® suite appliances.

LIGHT-GUIDED CAPACITIVE TOUCH CONTROLS

With the slightest touch, intuitive, light-guided controls easily direct through menu settings by using highlighted portions of the control panel.

PRODUCE PRESERVER

Delays over-ripening* of certain fruits and vegetables by absorbing ethylene gas. *Based on commonly purchased produce.

Technical Specifications

Configuration and Overview

Counter Depth: Yes

Number of Doors: 2

ADA Compliant: No

CEE Tier: Tier I

Installation Option: Built-In
