Key Features & Benefits

Smart Appliance
Care smarter with connected features that let you send cooking instructions to the oven from your smartphone, control your kitchen with voice commands using a compatible voice-enabled device or skip preheating.*

Scan-to-Cook Technology**
Get the right settings every time. Scan a frozen food barcode with your smartphone or tablet and send recommended or customized cooking instructions straight to your oven for dinner done the way your family wants it.**

Yummly® Guided Cooking†
Make meal prep easier by helping you answer the question "what's for dinner?" before it's even asked. Recipes with the Connected Fork icon in the Yummly® app include step-by-step video tutorials that provide the extra assistance you need on busy days. Prompts in the app even send cooking instructions straight to your Whirlpool® smart range at the right times, so dinner's ready when your family's hungry.††
