Key Features & Benefits

Custom Panel Ready
Achieve a seamless look by perfectly matching your kitchen cabinetry to you Custom Panel Ready Dishwasher. Its innovative design allows for a fully flush installation, adding a new level of sophistication to your space.

PowerWash Function
The PowerWash Function features a specially engineered 180-degree rotating arm with a 360-degree spinning head, delivering powerful sprays that reach every angle—ideal for tackling heavily soiled pots and pans with ease.

Full Size Third Rack
This versatile Full Size Third Rack is tailor-made for those occasions when you need extra space for cutlery, large utensils and small items.

Interior Illumination
A brilliant Interior Illumination ensures you can easily see every item, even in the farthest corners. This premium feature is one you didn't realize you needed—until now.
