European Inspired Style. The EBS1 is a European design that mounts into a cabinet above the cooktop with only a slim sliding drawer visible, fitting seamlessly into today's modern kitchen.

- Powerful 400 Max Blower CFM quickly clears smoke and odors
- Quiet range hood offering a sound level of 1.2 sones at normal speed
- Two high-efficiency micro-mesh filters are easy to clean and feature a quick-release latch
- Two built-in LED modules provide even lighting over the cooktop
- 3-speed backlit push-button control
- Use non-duct recirculation kit S1104971 for a non-ducted installation (sold separately)
- CRT Technology provides the ability to meet codes and reduce airflow to 300 CFM
- Intended for installation into frameless cabinets only
