UBW36YIEWSS

36" Smart Designer Wall Mount Hood (Back Vent Capable)

FEATURES AND BENEFITS

610-CFM Blower Range Hood – Get powerful ventilation that removes smoke, grease, odors and moisture from the air.

Flexible Installation - Can be installed vertically with a duct cover or horizontally without a cover for a "floating" appearance

QuietBoost™ – This high performance exhaust technology keeps the canopy hood quiet as soon as you turn it on.

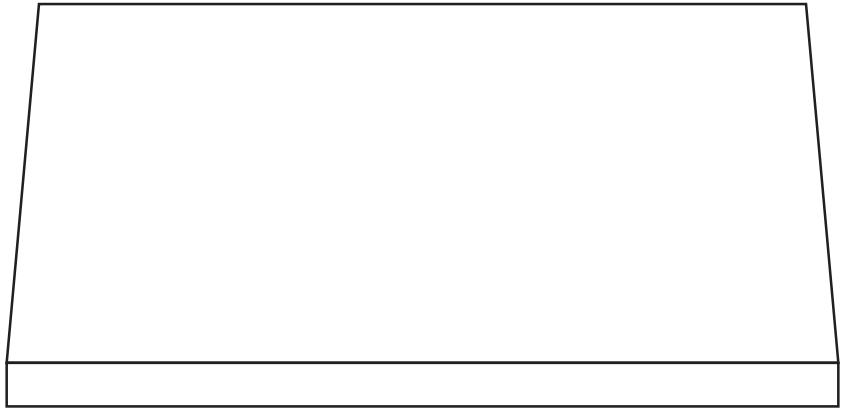

LED Hood Light – Get a bright view of your cooktop as you prepare your favorite meals with LED lighting in this range hood.

4-Speed Fan – Have strong ventilation at four fan speeds that you can adjust to match your cooking techniques.

Built-In WiFi – This smart range hood lets you adjust vent speed and turn on lights using your phone, for the ultimate in kitchen convenience.

Removable Filter – This removable range hood filter is easy to take out and wash, so grease and odors are always removed from the kitchen air.

Baffle Filters – The baffle filters in this range hood trap more grease and require less frequent cleaning than standard filters.

Model UBW36YIEWSS– Stainless steel
