GE® 4.3 cu. ft. Capacity Washer with Stainless Steel Basket

FEATURES AND BENEFITS

Large 4.3 cu. ft. Capacity – Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.

5-year/10-year/Lifetime Limited Warranty – Enjoy peace of mind with a 5-year parts and labor warranty, a 10-year motor warranty and a lifetime warranty that covers rust and corrosion on the wash basket.

Commercial Grade Components – This washer is built with upgraded parts and components for the most reliable performance possible.

True Dual-Action Agitator – This durable, built-in, Dual Action Agitator provides better circulation and turnover of clothes to achieve a deep clean while being gentle on your clothes.

Water Level Control – Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.

Deep Clean Cycle – Achieve the ultimate deep clean for your toughest laundry loads in this heavy soil washing machine. It performs with 67% more cleaning power than normal cycles.*

Deep Rinse – Ensure that all your garments are free from detergent, fabric softener, stubborn soils and even pet hair in this deep rinse washing machine.

Late Lid Lock Safety – Pre-treat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.

Status Notification – Effortlessly monitor your wash cycle using the notication display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.

Stainless Steel Drum – Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags.

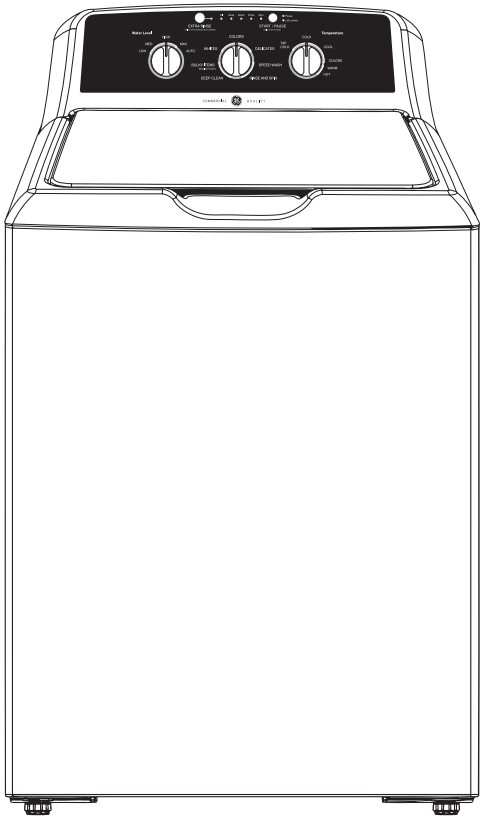

Bleach and Fabric Dispensers – Eliminate the need to add bleach and softeners mid-cycle with automatic bleach and softener dispensers in the washing machine.

Made in America – This American-Made washing machine contains 70 to 90% U.S. content.

Stainless Steel Hoses Included – The included washer hoses are heavy-duty stainless-steel with a protective polymer coating for added durability and burst-resistance when compared to rubber hoses.

MATCHING DRYERS:
GTX52GASPWB – GE® 6.2 cu. ft. Capacity Gas Dryer with up to 120 Ft. Venting and 5-yr. Limited Warranty
GTX52EASPWB – GE® 6.2 cu. ft. Capacity Electric Dryer with up to 120 Ft. Venting and 5-yr. Limited Warranty

Model GTW525ACWWB – White
