Key Features & Benefits

OptiSense Technology
OptiSense Technology offers precise control over water usage, energy efficiency, detergent levels, and wash time, ensuring the perfect wash every time while maximizing resource savings.

Quick Dry
The Quick Dry Cycle on Blomberg's dryers delivers fast, efficient drying for smaller loads, saving you time without compromising on performance. Perfect for when you need your clothes dry in a hurry.

Large Capacity
Blomberg's Large Capacity Dryers allow you to dry more in each load, reducing the number of cycles needed and saving you time and energy while ensuring optimal drying performance.

Connected Laundry - Wi-Fi Enabled
Blomberg's Wi-Fi Enabled Washers allow you to control and monitor your laundry remotely via a smartphone app, offering ultimate convenience and flexibility from anywhere, anytime.
