GE APPLIANCES

ZONELINE®

UV-C Light Technology

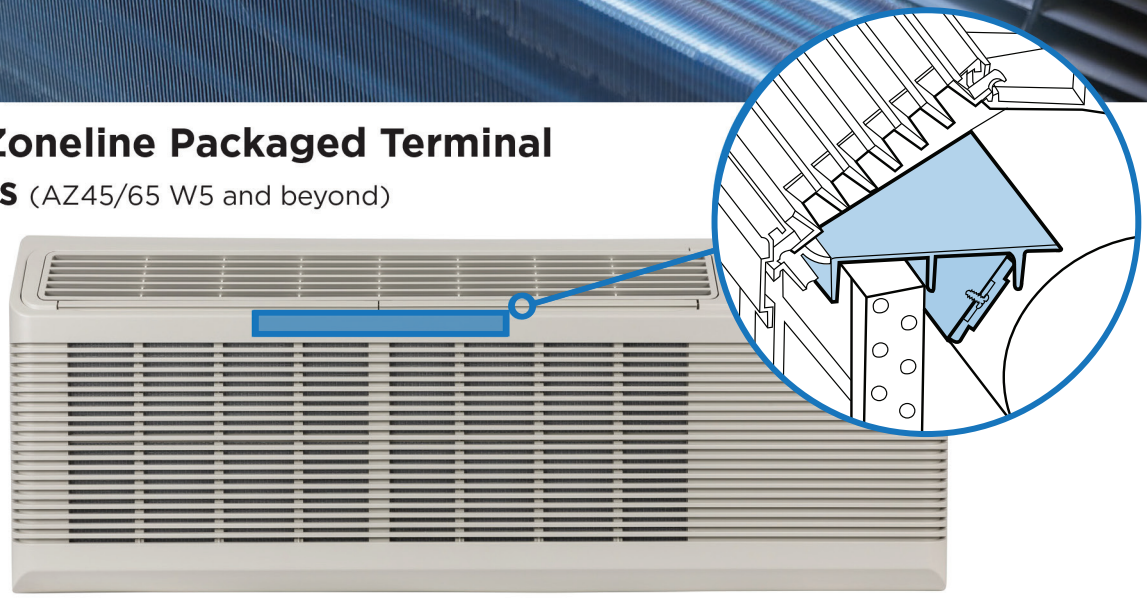

Optimized for Zoneline® Packaged Terminal Air Conditioners

IMPROVES INDOOR AIR QUALITY

Designed to apply **UV-C Light** to the air as it passes through the unit. **Average 93.9% reduction of airborne viruses within 180 minutes*. It is customized to retrofit your Zoneline® PTAC.**

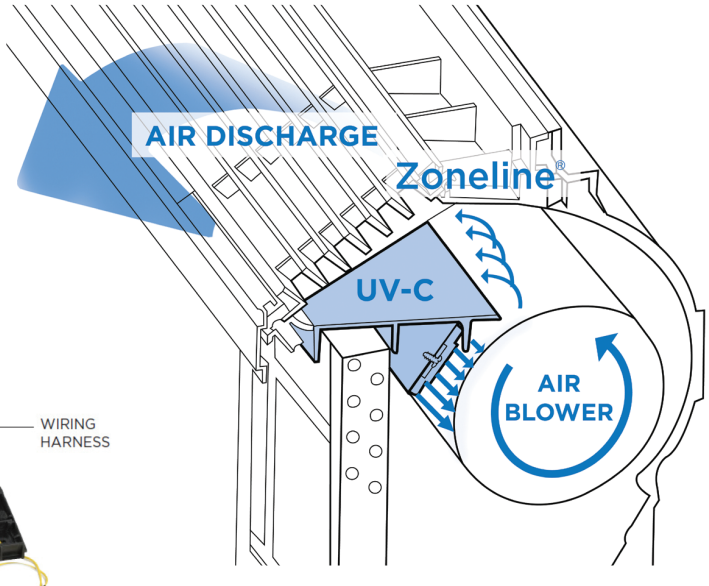

Optimized for Zoneline Packaged Terminal Air Conditioners (AZ45/65 W5 and beyond)

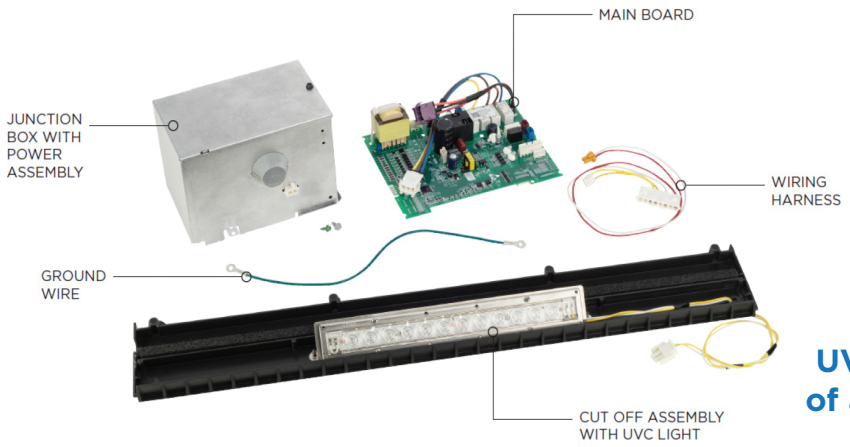

*GE Appliances tested a Phi-X174 bacteriophage virus, nebulized in a sealed test chamber (10' x 10'x 10' (1000 ft3)) with an average temperature of 68°F and relative humidity of 50.3%. Air sampling was taken every 30 minutes with the Zoneline PTAC on high speed with a new UVC kit active over 3 hours & compared to natural decay results. Testing was conducted at a nationally accredited laboratory.

ZONELINE® Indoor Environmental Quality

The GE Zoneline® UV-C solution is the perfect fit to our PTAC that improves indoor environmental quality. The UV-C light treats indoor air as it passes through your Zoneline.®

UV-C light removes on average 93.9% of airborne viruses within 180 minutes*

KIT COMPONENTS

- Cut-off Assembly with LED module
- Main board with additional relay & software
- Junction box with power supply & status LED light
- Plug and play harnesses
- Ground Wire

PRODUCT SPECIFICATION

MODEL:	RAKUVC1	RAKUVC2
Power:	10Watts	10Watts
Voltage:	208/230V	265V
Description Kits :	UV-C LED kit for AZ45/65	UV-C LED kit for AZ45/65
Module:	12 cluster of 4 LED's	12 cluster of 4 LED's
SmartHQ Capable:	YES	YES
Warranty:	1 Year, Parts only	1 Year, Parts only

FEATURES AND BENEFITS

UV-C Light Technology
Customized for the PTAC application. Designed to apply UV-C light to the air as it passes through the unit.

Focused UV-C Direction On Fan
Powerful UV-C lights focus on the PTAC fan blade, where air movement occurs.

High Powered LED Array
High-powered LED array treats air passing through the PTAC.

UL® Classified
Representative samples of this product have been evaluated by UL and meet applicable safety standards.

Universal Zoneline® Fit
Fits existing AZ45 & AZ65 models ending in W5 and beyond. Components are designed for a perfect fit.

WARRANTY 1 YEAR
GE's UV-C kit installation does not void warranty for your GE Zoneline® Air Conditioner.
