Signature Features

Family Hub™+
Family Hub™+ with the industry's largest screen* lets you share pictures, stream music and videos, access recipes, and more, all from the fridge.

AI Vision Inside™
AI Vision Inside™ automatically recognizes what's in your fridge, so you always know what's inside. Access a list of what's in your fridge through the SmartThings app or Family Hub™+ screen.

Inner Beverage Center™
Enjoy quick access to cold, filtered water from inside your fridge. Choose from an internal dispenser or a built-in AutoFill Water Pitcher, with the option to infuse a flavor.

Customizable Door Colors
With customizable door panels, choose from 5 colors and 2 finishes to create a space that fits your style.

SAMSUNG

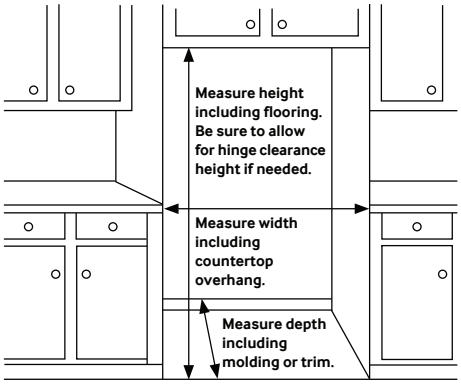

23 cu. ft. Bespoke Counter Depth 4-Door French Door Refrigerator with AI Family Hub™+ in Charcoal Glass and Stainless Steel

Installation Specifications

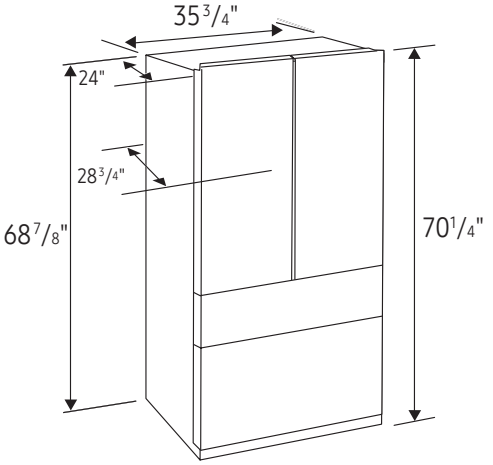

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 3.75" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

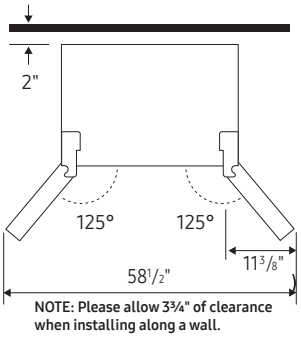

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

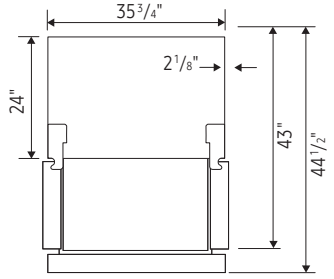

Please note: The following dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 22.5 cu. ft.

Refrigerator: 13.2 cu. ft.
- 1 Slide-In Shelf, 3 Tempered Glass Spill-Proof Shelves
