INTRODUCTION

The ZLINE 24 in. Induction Cooktop with Anti-Scratch Glass and 3 Elements (FCIND-24) combines the versatility of a nanotechnology-reinforced anti-scratch cooktop with anti-glare coating and a simplified drop-in installation process for maximum kitchen convenience. With a modern, timeless style and refined functionality, ZLINE Induction Cooktops are masterfully crafted to deliver an elevated culinary experience.

FEATURES & BENEFITS

Anti-Scratch Glass Cooktop - ZLINE's advanced anti-scratch glass is engineered with nanotechnology for long-lasting resilience to maintain a flawless surface that easily wipes clean and shines like new after every use

3 Flexible Cooking Zones - Three heating elements deliver ideal versatility when accommodating cookware of multiple sizes, with the largest burner designed to support stock pots, woks, and pans up to 11 in. wide

Anti-Glare Matte Surface - Minimize reflections and overhead lighting with a specialized anti-glare matte coating that improves visibility of cooking zones while repelling fingerprints, deterring oil build-up, and simplifying cleaning for a pristine kitchen look

Precision Touch Controls - Easily change heat settings, activate a child lock, enable a timer, and adjust other features with intuitive digital touch controls designed for simple operation

Drop-in Installation - Purposefully engineered to tailor to any kitchen design or custom cabinet style with a versatile drop-in installation process

Smart Heat Indicator - Stay safe in the kitchen with a built-in residual heat alert system that signals when the glass surface remains hot even after cooking
